1. Mr. [REDACTED] Chief/WE, came after the Stockholm reply to Airgram CA-6275. He said the AD of his part of DD/P instructed his area divisions to summarize field replies so that he could prepare a reply for [REDACTED] on local and field 25X1A9a use of the NIS by DD/P.

2. After considerable hard-nosed grumbling, Mr. [REDACTED] 25X1A9a (who looked like an ex-FBI type) said that an extra copy of these replies could be sent by State to RI/CIA for routing to the proper DD/P area divisions.

3. He had sent cables to [REDACTED] 25X1A6a asking for a summary of replies being sent out. [REDACTED] - 1634 25X1A6a and [REDACTED] - 462 were sent on 9 January; [REDACTED] had not been sent. 25X1A6a
